

## **Subscription Cancellation Policy**

With your subscription, you will automatically be billed monthly or according to your specified order interval. Subscription orders ship for free, and you may cancel your subscription at any time following the first recurring order. You are responsible for the full subscription fee in the monthly billing cycle in which you cancel. Once your account has been billed, all sales are final and there will be no refunds.

## **How to Cancel**

After the first recurring order with your subscription, your subscription may be cancelled anytime. Cancel by creating an account at <https://myvocalmist.com/account/login> using your email address, logging into your account, and selecting "Cancel Subscription" in the portal.
