ACCESS-C™
microSD Reader with USB-C

Have you ever wanted to quickly preview & share your action or drone camera footage?

Leef Access-C microSD reader with USB-C allows you to plug your microSD card into your Android so you can get your best videos onto your phone fast.

Go anywhere with your action/dronecams and quickly share on your Android.

USER-FOCUSED SOLUTION:

1. Never miss sharing great footage on-the-go
   - Simple video scrub previewing
   - Quick-clip curating
   - Easy transfer back to your mobile device

2. Optimized to work with all USB-C compatible devices

3. Carry-anywhere case

4. Works with all phone cases, especially rugged designs

5. Designed to even work with ski gloves
