**To ensure accuracy, please follow the measuring instructions below.**

### WAIST

Lay the garment flat out on a surface, and measure from one side of the waist to the other.

### INSEAM

From the crotch seam (CS) of the pants where the seams meet, measure to the bottom of the pant leg

### HIP

With the garment laid flat, measure 3 inches up from the crotch of the pants and use a reference point (RP). Measure from one side of the pant leg to the reference point, and then to the other side.
