### Instructions:

1. Start with [NobleBasics™ Natural Lip Balm Base](#) in a glass bowl. Mix with spoon or mixer until softened.
2. Add sugar and [NoblePure™ Peppermint Essential Oil](#). Mix until evenly distributed. We used regular granulated sugar for this recipe but you could substitute coarser sugar if preferred. You may also add more sugar if additional exfoliation is desired.
3. Fill lip balm pucks or container of your choice.
4. Let sit overnight to harden or refrigerate.

Make this recipe your own by changing out the essential oil or by adding a flavor or color. Add more or less essential oil depending on the aroma you want in the final product. Keep in mind the more oil you add the softer the finished product.
