1. Cut the cords around the structure and take them off.
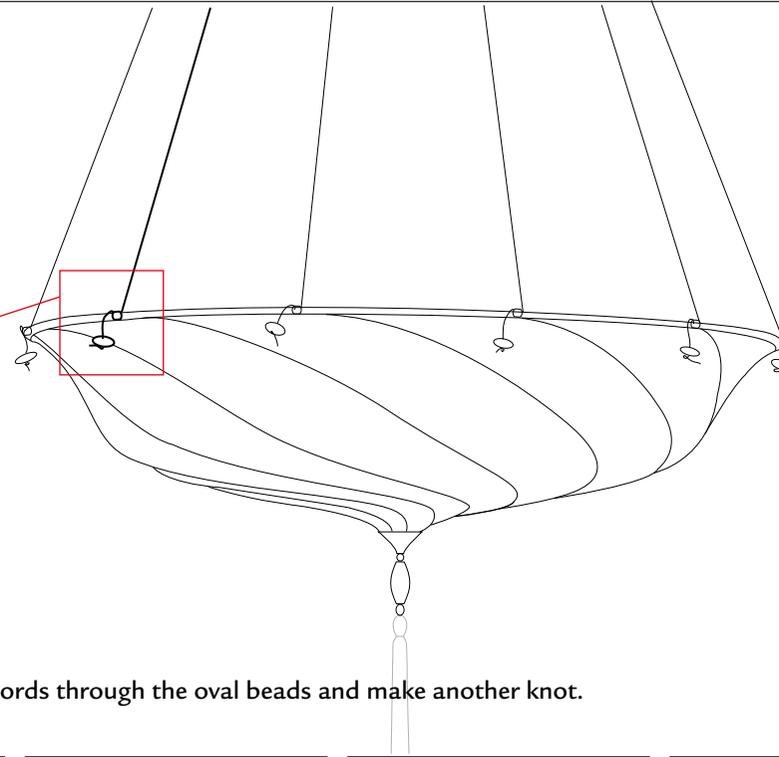

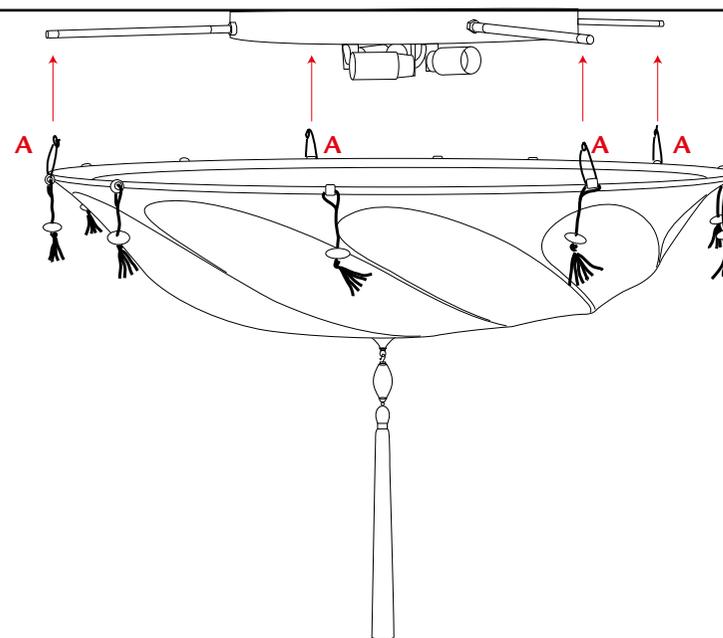

2-7. Pass the cords that we sent you through the beads, make a knot; then pass the cords through the oval beads and make another knot.

8. Put the flush mount over a table.

9. Lay carefully over it the Scudo Saraceno lamp (upside down)
   so that you can locate the 4 junction points and the corresponding beads (**A**).
   Please verify the right position with pattern 1.

10. In every junction point (**A**) make a buttonhole.

11. Now you can attach the flush mount to the ceiling and hang the Scudo Saraceno lamp.

A   A   A   A

ATTENTION: With the flush mount version use maximum 25/40 watt bulbs.
We racommend to use equivalent warm white led bulbs.
