

Features

Housing

Die Form Aluminum, Epoxy Powder Coating or Anodized
 Suitable for New Construction – J-Box Direct Mounting Suitable
 for Recess Can Retrofit
 Finish Option: White, Brushed Aluminum, Oil Rubbed Bronze

Optical

Shade: High Transmission Acrylic - Creates Excellent Light
 LED Color Temperature Option: 3000K, 4000K

Electrical

LED Driver: On Board 120V

Lamp

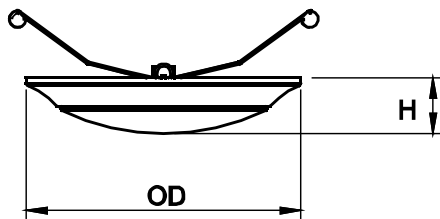

Built-in LED Module

Certification

UL/cUL Listed, ETL/cETL Listed, Wet Location Rated

Warranty

5 Years Warranty on Driver and LED Module
