

Lumen & CCT Selectable Classic Series

Large Wall Light

PROJECT INFORMATION				
JOB NAME				
FIXTURE TYPE	Classic Large Wall Light			
CATALOG NUMBER				
APPROVED BY				

SPECIFICATIONS

Construction:

Rugged traditional aluminum die cast housing provides proven environmental protection for LED modules. Traditional fixture designs providea familiar look and standard installation requirements. Retaining this look allows the ability to upgrade fixtures gradually, while retaining the same overall fixture appearance throughout a facility.

Glare Free:

Positioning of the LED modules within the housing result in light directed to desired locations and eliminates offensive light.

l ens

Lens assembly is designed to provide high efficiency and to target the light where needed to satisfy outdoor lighting requirements.

Positioning of the LEDs (along with Patent Pending thermal management system) results in the light being directed to desired locations eliminating glare and offensive light.

Selectable Lumens and CCT:

Atlas selectable wall lights are quick and easy to select and set up. Selectable lumens range in 4,000 (30W), 7,500 (57W) / 11,000 (86W), 13,000 (102W).

Selectable CCTs: 4000K, 4500K, and 5000K.

Listings

Luminaire is certified to UL/cUL Standards for Wet Locations DesignLights Consortium qualied luminaire, eligible for rebates from DLC member utilities.

AC Input: 120/208/240/277V 347/480V

Driver:

Constant current, Class 2, 120-277 VAC, 50-60 Hz High Efficiency – min. 86%

LEDs:

Available in 4000K, 4500K and 5000K CCT

Atlas LEDs provide higher lumen output, greater energy efficiency and more reliable fixture performance.

Reduced Glare:

Positioning of the LED modules within the housing result in light directed to desired locations and reduces offensive light.

Testing

Atlas LED luminaires have been tested by an independent laboratory in accordance with IESNA LM-79 & LM-80.

Warranty: Five-year limited warranty

Installation:

Fixture retains the same knock-out sizes and positions as previous models, reducing wiring costs.

Emergency Back-up: For factory installed Emergency Back-Up add suffix EB to part number.

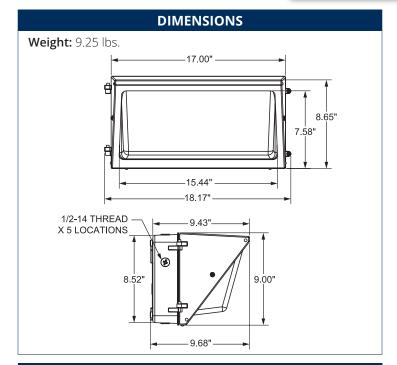

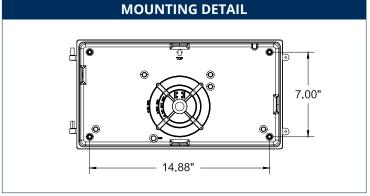

Rebates and Incentives are available in many areas. Contact an Atlas Representative for more information.

¹LED Life Span Based Upon LM-70 Test Results
