Buckhorn

The Buckhorn has a simple, open, elegant line. Buckhorn is available in 5 diameters and 4 height options, with or without lighting. Acoustic Fixtures are an excellent way to decrease ambient noise in your space. High design and function make these fixtures a beautiful and unique way to establish your own Quietude.

Please find an overall listing of all product options. Barbican specializes in producing products on a per request basis. Please feel free to use our online builder to determine conditional options, or confer with your lighting rep, or reach out to sales@barbican.ca for more information.
