

CAST Prairie Area/Path Light (CPL1CB) Product Information

Made with 65% USA Content!

Description

The Prairie Area/Path Light is a tribute to the clean lines of the organic architecture movement by the acclaimed architect Frank Lloyd Wright. The CAST Classic Prairie Light takes its name from the architectural prairie style Wright and other architects championed which uses strong horizontal and crisp clean lines.

Features

- Solid bronze top and body
- Heavy-gauge copper stem
- Large bronze talon mount stake with three, 1/4" x 7" stainless steel spikes
- Pre-wired with 25' tin-coated No-Ox® marine grade wire
- Integrated LED light source, CAST LED Module (CALED2) included
- Lifetime Bronze Casting Warranty, 10-Year Integrated LED, UL Listed

Uses : The Prairie Light is ideal for illuminating planting beds, walkways, stairs, or driveways. It is best installed on flat ground with very slight grade differences.
