

Invue ClearCurve Wall

Features and Benefits

Simple in Form. Rich in Features.

Distinctive yet compatible with varied architectural styles, the ClearCurve Collection presents a clean, uncluttered dayform and visual comfort for near-building pedestrian spaces, campuses, and parks. ClearCurve Wall accents and illuminates the buildings it is paired with, illuminating the landscapes and sidewalks near exterior walls. It can be used to light indoor pool deck areas with the Natatorium finish option. The Uplight configuration delivers eye-catching wall wash lighting, and Back Box accessories facilitate surface conduit installations.
