LU  **ILLUMINAIRE**

HALCYON 1.0 LINEAR

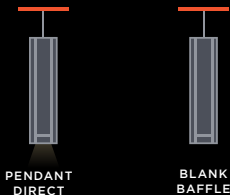

Tranquil Lighting. The Halcyon 1.0 (HLcN) Linear luminaire minimizes high-noise levels and reverb issues that are common with multi-purpose open environments.

Available in lit or unlit baffles, HLcN comes in an array of standard and custom colors. With a modern, architectural look, this luminaire will work with the aesthetic of a space, integrating the finest in illumination and sound absorption.
