## HALCYON 2.0 & 4.0

**Tranquil Lighting.** The **Halcyon** pendant blends modern elegance and peacefulness into one fixture. The acoustic external shape provides sound absorption and minimizes reverb. An integrated 2" or 4" luminaire in the center delivers the perfect ambient light. Include the Halcyon for a quintessential, yet functional element in a lobby, private office, collaboration, breakroom, or more. Choose from an array of sizes, shapes, and colors.
