

**DESCRIPTION**

The ALL-PRO™ 26 Watt Fluorescent Wall Pack is a dependable and reliable security lighting alternative to Metal Halide and High Pressure Sodium Wall Packs. This 26W Fluorescent Wall Pack uses less power resulting in maintenance and energy savings versus traditional fixtures. The dusk to dawn photocontrol allows the fixture to operate when needed with nighttime ON and daytime OFF. This product is an easy to install, high quality and durable lighting solution ideal for residential and light commercial applications.
