

Lumark AP WPM Wall Pack

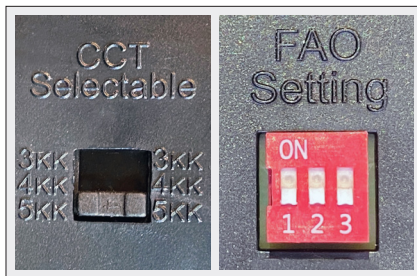

Features and Benefits

The WPM Wall Pack LED luminaire provides a traditional form with high performance energy efficient illumination. Rugged die-cast aluminum construction with a gasketed housing make the WPM virtually impenetrable to contaminants. Replacing up to 250W metal halide equivalent, the WPM wall luminaire is ideal for pathway illumination, building entrances, vehicle ramps, schools, tunnels, stairways and loading docks.

PRODUCT FEATURES

- Fixed output and selectable configurations available
- Replaces 70W up to 250W HID equivalent
- Efficacies up to 149 lumens per watt
- Energy and maintenance savings up to 89% versus HID solutions

DESIGN FEATURES

Selectable Lumens and CCT

Integrated switches to field-select between various lumen outputs and 3000 / 4000 / 5000K CCTs

Mounting

Hinged, removable door allows for easy installation and wiring

Glass Lens

Impact-resistant borosilicate refractive glass lens maximizes area coverage and provides visual glow for a preferred safety aesthetic

QUICK FACTS

- Lumen packages ranging from 3,500 - 13,400 lumens
- > 143,000 hour lifetime
- IK07 impact rating
- Standard bronze finish
