

Shaper

DESCRIPTION

The 160 series is a decorative wall sconce family with half cylindrical form. This product is a half circular column shape shade, with a variety of options to highlight elegant spatial forms. The integral LED light engine is available in 2700K, 3000K, 3500K, and 4000K color temperatures that evenly illuminates the shade and the bottom lens, and 83+ CRI. Shaper's Fabrique collection its known for is high quality hand tucked fabrics. Heavy gauged steel frame, laminated styrene backing, and minimum internal structure. Shades come in three standard sizes, eleven standard fabrics, three vinyl materials (25" and 37" only), four printed wood patterns (25" and 37" only), and two translucent organza fabrics, allowing the designer to select a look for any space.
