Traffic Signs

WITH CAST ALUMINUM FRAMES

These signs are ideal for directing traffic on your street or in your new subdivision. Each sign is set in a decorative, one-piece, fully backed cast aluminum frame for a great look. Cast frames keep signs steady in all wind conditions. Heavy gauge aluminum signs come in various shapes and sizes to meet your requirements. Cast frames and signs can be sold separately. Custom frame sizes are also available. All Sternberg poles can be used for traffic sign installations.
