FEATURES & SPECIFICATIONS

APPLICATION — The 2AF 2" Adjustable Slip Fitter is designed to mount Techlight light fixtures onto a 2-3/8" OD tenon. It may be utilized with the majority of the Techlight product families (contact your sales associate for additional information). It may allow up to 180° adjustability on fixture being installed.

CONSTRUCTION — The heavy duty slip fitter is constructed of cast aluminum. Stainless steel hardware provided. Available with an integral button photocell for additional fixture control.

FINISH — A Super Durable Polyester powder coat finish is electrostatically applied in our state of the art paint facility. Standard colors available: Black, Bronze, US Green, White. Custom colors available upon request.
