FEATURES & SPECIFICATIONS

APPLICATION — The VBWM series of wall mount adaptors were designed to adapt any Techlight fixture that utilizes an SSA or VSA Mounting Arm of any length to practically any wall structure.

CONSTRUCTION — The two-piece heavy duty adaptor is constructed of galvanized steel. Stainless steel hardware provided for connecting the two components. Wall mounting hardware provided by others. VSA and SSA Straight Arms are sold separately.

FINISH — A Super Durable Polyester powder coat finish is electrostatically applied in our state of the art paint facility. Standard colors available: Black, Bronze, US Green, White. Custom colors available upon request.

Wall Mount Adaptor (for use with SSA and VSA Arms) **VBWM**

ORDERING INFORMATION

Choose the bold face options for the appropriate luminaire configuration for your application and enter on the line above each fixture attribute. Accessories may be factory installed, depending on the particular accessory chosen, but still be ordered as a separate line item.
