

LOW VOLTAGE LED POST FIXTURE 109/110

Wave Lighting's Low Voltage Series adds a welcoming look to any outdoor space. These post fixtures fit on a 3" diameter pole (sold separately), mounting hardware is included.

Wave Lighting's Low Voltage LED Post lanterns are equivalent to a 50W halogen lamp. Standard 3000K along with color changing RGB 12V LED lamps are available. Our post mount 12V fixture allows for an easy lighting addition to a landscape environment with an existing 12V transformer. 10' direct burial wire lead included for easy install.

12V LED lamp included
RGB models (R) include remote
