silent about things that matter.”**

Happiest delivery day!

Here's what you can freeze this week (not all items listed may be included in your order):

- Spring Lasagna
- Farmstand Wok
- Thai Chili
- Corn Chowder
- Cacciatore Tofu/Cauli
- Kung Pao Veggies
- Balsamic Vinaigrette
- Nourish Sriracha
- Baked Oats
- Green Protein Smoothie
- Seed Milk
- Butternut Mac
- Quinoa-Pepita Pilaf
- Tarts from “The Naked Tart”

Just as a reminder, all of your delicious food is best when enjoyed by the Sunday following your delivery. You'll want to eat your salads within the first five days. Remember that you can extend this date by freezing the items listed above.

Your smoothie or seed milk will need to be shaken well and enjoyed within the first five days of delivery. At the Health Department's request, we have frozen them before delivery. This keeps them fresher, longer! Please enjoy any cauliflower rice early in the week! Your Falafelled Kale Salad should also be eaten early in the week, take note of the beautiful local radishes in there as well!

Please return your bags and ice packs! Once your bag is empty, please put the ice packs back in it. Next time you order, just place the bag outside on delivery day and we'll swap it for your full bag. If you know you won't be ordering in the coming weeks, please email us at [Info@NourishCharlotte.com](mailto:Info@NourishCharlotte.com) and we can pick your bag up from your house. Or, if it's convenient, you can drop your empty bag off at Okra in Plaza Midwood, or Baxter Village Health Center in Fort Mill, SC!

With loads of appreciation and wishes for joyful eating this week,
