

3 TON SINGLE FALL HAND CHAIN HOISTS

1 reeve of load chain, compared to the conventional 2 reeves.

Reduces time to move a load by 15%

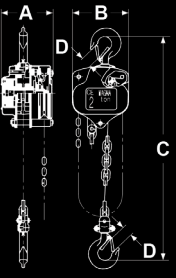

Risk of capsizing **eliminated**

Increased ease of handling due to less chain

Standard lift lengths: 10', 15', and 20'.
Long-length and custom lengths available.

• Capacity (LBS)	6,600	• Side Width A (IN)	7.05
