Preparation For Day 7 of the Metabolism Revolution Challenge!

The only person you are destined to become is the person you decide to be. —Ralph Waldo Emerson

You decide your destiny. You're taking a vital first step in becoming the person you want to be by joining us for this 14-Day Challenge. You're halfway there, how do you feel?

Today is a good day to incorporate your Metabolic Intervention Exercise (or your second Metabolic Intervention Exercise if you're following Meal Map C.) Treat yourself to a relaxing massage or take a dip in an Epson salt bath. You've worked hard for the last 7 days, take some time to relax.

Let's dive into our seventh day of incredible food! Note that each recipe serves one. If you're cooking for a family, make the necessary adjustments.

Notice that I've repeated the recipes. I've done this because it saves time

and money. You're free to swap the days around or swap out proteins as long as they fall into the proper Part.
