LG	33 – 36.75 cm	33 cm	36.75 cm
XL	38.25 – 41.75 cm	38.25 cm	41.75 cm

HOW TO DETERMINE SIZE

Measure your dog's neck in the position a collar would sit, and as snug as you would like the collar to fit.

NOTE: If your pup moves around a lot, we recommend using a string to measure their neck. Then measure the string against a ruler or our printable measuring tape to get the most accurate measurement.
