

# Fundraiser

Everything we need is provided by *nature*

100% **Natural**. No Chemicals. No Additives. Process Free.

## What is Iron Earth?

Iron Earth is an all **natural** Soil Re-mineralizer that replaces the lost minerals in the soil, resulting in healthier and more nutritious plants while helping to fight common mineral deficiencies.

Iron Earth provides amazing results for all plant life; grass, trees, shrubs, fruits, vegetables and of course flowers!

Iron Earth is straight from **nature**! No chemicals and no additives! Excluding chemical fertilizers from your garden is not only healthy for anyone enjoying your garden but for our environment as well.

## Raise Funds!

Iron Earth Soil Re-mineralizer is a great fundraising opportunity for your organization to raise worthy funds and help the well being of your community. Each bag ½ lb bag of Iron Earth is sold for \$10.00; your organization makes \$4.00 on every bag sold!

## How it works!

Participation permission forms are sent home with all individuals. Participating individuals will receive an Iron Earth Fundraising Kit! Each kit contains 6 x ½ lb bags of Iron Earth, envelope and product fact sheet. **For every ½ lb bag of Iron Earth sold your organization earns \$4.00!**

**Earn \$4.00  
for every  
bag sold!**

**Promote Healthy  
Eating Habits!**

**Encourage choices  
that help the  
environment!**

## Get Started!

- Start your Iron Earth Fundraiser in March or April for delivery before planting season.
- Download and send the Iron Earth Fundraiser Permission Form to all.
- Complete the Iron Earth Fundraiser Application
