

Fundraiser

Everything we need is provided by *nature*

100% **Natural**. No Chemicals. No Additives. Process Free.

Good Day,

We would like to invite you to participate in the Iron Earth Fundraising Challenge!

You have the opportunity to raise funds for your organization while helping the environment and creating healthy gardens in their community! Each bag ½ lb bag of Iron Earth is sold for \$10.00; your organization makes \$4.00 on every bag sold!

What is Iron Earth?

Iron Earth is an all **natural** Soil Re-mineralizer that replaces the lost minerals in the soil, resulting in healthier and more nutritious plants while helping to fight common mineral deficiencies.

Iron Earth provides amazing results for all plant life; grass, trees, shrubs, fruits, vegetables and of course flowers!

Iron Earth is straight from **nature!** No chemicals and no additives! Excluding chemical fertilizers from your garden is not only healthy for anyone enjoying your garden but for our environment as well.

How it works!

Participants will receive an Iron Earth Fundraising Kit! Each kit contains 6 x ½ lb bags of Iron Earth, envelope and product fact sheet. **For every ½ lb bag of Iron Earth sold your organization earns \$4.00!**

Get Started!

Please complete the form below to participate in the Iron Earth Fundraiser. Return to your organization. Fundraising kits will be delivered to the organization.
