In the box
The following items should be included with your LEGEND™:
• 1 x LEGEND™ unit with embedded battery pack
• 1 x Battery charger, 100 Vac to 240 Vac with North American prongs
• 1 x USB cable
• 1 x Lanyard
• 1 x Earbuds
• 1 x User manual / Warranty guide

Before proceeding
PLEASE READ THE FOLLOWING WARNINGS AND INFORMATION BEFORE USE OF THE PRODUCT AND FOLLOW ALL PRODUCT SAFETY AND OPERATING INSTRUCTIONS. FAILURE TO DO SO MAY CAUSE BODILY INJURY, ELECTRIC SHOCK, FIRE, AND OTHER DAMAGE.

Before starting the LEGEND™
Please fully recharge the battery before using for the first time.
Electrical safety and precautions

**CAUTION:** The LEGEND™ is equipped with a USB Cable for connecting with desktop or notebook computer. Connecting it to improperly grounded equipment can result in an electric shock to you and your device. Be sure your computer is properly grounded (earthed) before connecting to the computer. The power supply cord of a desktop or notebook computer has an equipment-grounding conductor and a grounding plug. The plug must be plugged into an appropriate outlet which is properly installed and grounded in accordance with all local codes and ordinances.

**LEGEND™ device safety and regulatory guide**

- The LEGEND™ should only be operated with the following qualified battery pack:
  Model #: LE-01BAT

- The LEGEND™ should be charged with the following micro USB battery charger power supply:
  Model #: SC/5WM500100-US

- Only use a USB battery charging system that has been qualified as per this standard: IEEE-Std-1725. Use of an unqualified battery or charger may present a risk of fire, explosion, leakage or other hazard.

- Do not operate at temperaturer under 32 °F (0 °C).

- Do not attempt to disassemble the device or its accessory. Only qualified personnel must service or repair the device or its accessories.

- Do not connect with incompatible products or accessories.
• Do not touch the SIM card’s metal connectors as this may cause an electrostatic discharge and damage the device.
• This product contains a Lithium-ion polymer or Lithium-ion battery. There is a risk of fire and burns if the battery pack is not handled properly.

Battery safety and regulatory guide
• The LEGEND™ should only be operated with the following qualified battery pack:
  Model #: LE-01BAT
• Handle battery pack carefully. It contains a Lithium-ion polymer or Lithium-ion battery. There is a risk of fire and burns if the battery pack is handled improperly.
• If the battery leaks, do not allow any fluid from the battery pack to come in contact with your eyes, skin or clothing. If already in contact, flush the affected area immediately with clean water (do not rub eyes) and seek medical advice.
• Take extra precautions to keep a leaking battery away from fire as there is a danger of ignition or explosion.
• Keep this product away from water, excessive moisture and extreme temperatures. Avoid hot areas.
Warnings and Precautions

- To reduce risk of fire or burns, do not disassemble, crush, puncture, short external contacts or circuits, expose to temperature above 104 °F (40 °C), or dispose of in fire or water.
- The product should be kept away from heat sources such as radiators, heat registers, stoves, or other products that produce heat.
- Keep the device dry and away from water or any liquid as it may cause a short circuit.
- Do not leave the product inside a vehicle or in places where the temperature may exceed 104 °F (40 °C), such as on a car dashboard, window sill, or behind glass that is exposed to direct sunlight or strong ultraviolet light for extended periods of time. This may damage the product, overheat the battery, or pose a risk to the vehicle.
- Avoid wet areas. If your product gets wet, do not try to dry the product with the use of an oven, dryer or microwave, as this may damage your product.
- Avoid using your device after a dramatic change in temperature and/or humidity ranges, as condensation may form on or within the device. To avoid damaging the device, remove the battery and allow sufficient time for the moisture to evaporate before use.
- Avoid dropping the device. If the device or battery is dropped, especially on a hard surface, and the user suspects damage, take it to a service center for inspection.
- Take extra precautions to keep a leaking battery away from fire as there is a danger of ignition or explosion.
- Keep this product away from water, excessive moisture and extreme temperatures. Avoid hot areas.
- Do not use your device if it has been damaged.

**Operating instructions safety**
- Never push objects of any kind into the product cabinet slots or other openings. These openings must not be blocked or covered.
- An adult should supervise use of your device by small children. They could hurt themselves or others, or could accidentally damage the device. Your device contains small parts with sharp edges that may cause an injury or which could become detached and create a choking hazard. Consult the doctor immediately if the accessories or battery are swallowed.
- Unplug the product from the wall outlet before cleaning. Do not use liquid cleaner, harsh chemicals, cleaning solvents or aerosols on the device or accessories. Use a damp cloth for cleaning, but NEVER use water to clean the LCD screen.

**Prevention of hearing loss**

CAUTION: Permanent hearing loss may occur if earphones or headphones are used at high volume for prolonged periods of time. Turn down the device volume before using headphones or other audio devices.
Damage requiring service
If there are noticeable signs of overheating or the product does not operate normally, unplug the product from the electrical outlet and contact Racing Electronics customer support via our website (www.racingelectronics.com).

Disposal of your device
Please do not discard your device in a landfill. Electronic devices contain substances that may be hazardous to the environment if not properly disposed of.

Warranty Information
The LEGEND™ is covered against manufacturer defects for 1 year. Designed by FanVision©. Distributed and serviced by Racing Electronics. See included warranty guide for more details.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. FCC details are available on our website (www.racingelectronics.com).
