

LIMITED WARRANTY

This limited warranty extends only to the original purchaser.

Racing Electronics warrants this product and its parts against defects in materials for **one (1) year** from the original ship date. During this period, Racing Electronics will repair or replace the device at Racing Electronics' option, without charge to you.

All devices replaced by Racing Electronics or its authorized service center, become the property of Racing Electronics. Any after-market additions or modifications will not be warranted. The device owner is responsible for the payment, at current rates, for any service or repair outside the scope of this limited warranty.

Racing Electronics makes no other warranty, either express or implied, including but not limited to implied warranties of merchantability, fitness for a particular purpose, or conformity to any representation or description, with respect to this device other than as set forth below. Racing Electronics makes no warranty or representation, either express or implied, with respect to any other manufacturer's product or documentation, its quality, performance, merchantability, fitness for a particular purpose, or conformity to any representation or description.

Except as provided below, Racing Electronics is not liable for any loss, cost, expense, inconvenience or damage that may result from use or inability to use the device. Under no circumstances shall Racing Electronics be liable for any loss, cost, expense, inconvenience or damage exceeding the purchase price of the device.

The warranty and remedies set forth below are exclusive and in lieu of all others, oral or written, expressed or implied. No reseller, agent or employee is authorized to make any modification, extension or addition to this warranty.

WARRANTY CONDITIONS

The above Limited Warranty is subject to the following conditions:

1. This warranty extends only to products distributed and/or sold by Racing Electronics.
2. This warranty covers only normal use of the device. Racing Electronics shall not be liable under this warranty if any damage or defect results from (i) misuse, abuse, neglect, improper shipping or installation; (ii) disasters such as fire, flood, lightning or improper electric current; or (iii) service or alteration by anyone other than an authorized Racing Electronics representative; (iv) damages incurred through irresponsible use, including those resulting from viruses or spyware, overclocking, or other non-recommended practices.
3. You must retain your bill of sale or other proof of purchase to receive warranty service.
4. No warranty extension will be granted for any replacement part(s) furnished to the purchaser in fulfillment of this warranty.
5. Racing Electronics and its Authorized Service Center accept no responsibility for any software programs, data or information stored on any media or any parts of any products returned for repair to Racing Electronics.
6. All pre-installed software programs are licensed to customers under non-Racing Electronics software vendor's term and conditions provided with the packages.
7. This warranty does not cover any third party software, application, or virus related problems.
8. Racing Electronics makes no warranty either expressed or implied regarding third-party (non-Racing Electronics) software.

WARRANTY EXCLUSIONS

Racing Electronics does not offer technical support for any software including installed OS or other programs. Technical support should be pursued through channels offered by the software's individual tech support. Racing Electronics accepts no liability for problems caused by after-market software or hardware modifications or additions. Racing Electronics is not responsible for giving any technical support concerning the installation or integration of any software or component the customer did not pay Racing Electronics to install. Racing Electronics is not responsible for the loss of data or time, even with hardware failure. Customers are responsible for backing up any data for their own protection. Racing Electronics is not responsible for any loss of work ("downtime") caused by a product requiring service. This warranty is null and void if the defect or malfunction was due to damage resulting from operation not within manufacturer specifications. It will also be null and void if there are indications of misuse and/or abuse. Racing Electronics has the option of voiding the warranty if anyone other than a Racing Electronics technician attempts to service the product. Racing Electronics will not warrant any problems arising from an act of God (lighting, flooding, tornado, etc.), electrical spikes or surges, or problems arising out of hardware, software, or additional devices added to complement any system/component bought at Racing Electronics. Under no circumstances will Racing Electronics be responsible for any refund or remuneration exceeding the original purchase price of the product less any shipping fees. Racing Electronics will not be held responsible for typographical errors on sales receipts, repair tickets, or on our website. Racing Electronics makes every effort to make sure all information on our website is correct.
