EYROPRO HANDLEBARS

Thank you for choosing to purchase an Eyropro handlebar. Your Eyropro handlebar is made strong and yet is flexible so as to provide you with a more comfortable ride. You can be sure to get many, many years of use and the benefits the unique design offers.

Accessories

When it comes to fitting your Garmin or lights or GoPro there are a few products that suit the narrow gap of the Eyropro centre.

REC-MOUNTS TYPE 19 – suits Garmin/GoPro or light set up if you can find them. Has a very narrow handlebar mount.

3F Cycling – has great mounts that fit off the head stem front. Go to:
<https://www.f3cycling.com/>

Social Media

Eyropro handlebars can be found on Instagram and Facebook. Please post any pictures you have on our Eyropro Users Facebook page:

<https://www.facebook.com/groups/2050483781863191/>

Use the hastag #eyroprohandlebars to join our growing photography display or check out the growing numbers who are enjoying the Eyropro advantage:
