

LEE STEWART

Kingston, ON

BIOGRAPHY

Lee Stewart (b. 1985) grew up in Kashechewan, a fly-in community in Northern Ontario. In 2004, he attended Carleton University, in Ottawa, for Film and Art History. He currently lives and works in Kingston, Ontario.

ARTIST STATEMENT

As a self-taught artist, my work explores the mind of a culture vulture. Using a palette influenced by the vibrant hues of Canada's seasons, the saturated images of the internet, and the Old Masters, I strive to bridge the traditional and contemporary to create a new liminal space. Through the curious mix of intuitive exploration, source materials and its subsequent reimagining, my art reflects a celebration of diverse narratives.
