FCC WARNING

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

WARNING

- Lithium Polymer battery operated. Use enclosed USB cord only. Failure to do so may cause fire, which may result in personal injury and property damage.
- Never charge unattended
- Always keep in a cool dry place
- Do not use in or near water
- Always listen at moderate volume to avoid hearing damage
- Do not use while driving
- When in use, do not pat the headphone ear-cups, as this movement will generate a certain sound pressure, affecting the built-in microphone's reception and interfering its noise cancelling function

Positive Vibes, Inc. One-Year Limited Warranty Summary

All parts free from defects in material, workmanship and manufacturing for a period of 1 (one) year from original date of retail purchase by the original end-user only if delivered to you in its original packing, new condition and from an authorized Solitude WX1 reseller. This headset must be used only in normal conditions.

The warranty is to be extended to the original end-user only, either purchaser or person who has received this product as a gift. This is not a transferable warranty and will not be extended as such.

This warranty does not cover a defect that has resulted from normal wear and tear, improper or unreasonable use or maintenance, accident, excess moisture, improper packing, lightning, power surges or unauthorized tampering, alteration or modification. Product warranty is limited to original defects in material and workmanship. Warranty does not cover collateral damage. Due Misuse, abuse, incorrect charging and other inappropriate use of this product are not covered under warranty. This warranty is not applicable to headsets purchased from an unauthorized Solitude WX1 reseller.

We will, at our sole option, repair or replace any defective parts within a reasonable period of time, free of charge. We will **not** pay shipping or transportation charges from you to us.

Limitation On Liability

The provisions of this limited warranty are in lieu of any other written warranty, whether express or implied, written or oral, including any warranty of merchantability or fitness for a particular purpose. Notwithstanding the above, where applicable, if you qualify as a “consumer” under the Magnuson-Moss Warranty act, then you may be entitled to any implied warranties allowed by law for the period of the express warranty as set forth below. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from country to country or state to state. This Limited Warranty is void if proof of purchase from an authorized dealer cannot be produced.

**In order TO VALIDATE YOUR WARRANTY,
you must register your headphones within 30 days
of purchase at www.solitudeheadphones.com**
