

OPTIMAL VITALITY

Our rich botanical greens are carefully selected & formulated to provide maximum daily enrichment of vitamins, minerals, antioxidants & cofactors designed for you.

ONE A DAY MULTIVITAMIN

This one a day multivitamin supports a healthy body and total mind clarity, while also providing energy balance within the body. We researched and formulated this unique product to give you what your body needs for optimum health.

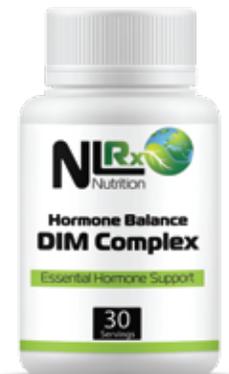

SUPER B-COMPLEX 100

Super B-Complex 100 delivers the essential B vitamins for energy metabolism. B-12 supports the body in the normal formation of blood cells, assists in maintaining circulatory health, and is essential in promoting a healthy nervous system.

DIM COMPLEX

Formed from Indole-3-carbinol, this complex promotes healthy estrogen metabolism in both men and women. Blended with Banaba Leaf and Green Tea Leaf extracts, this highly absorbable formula provides immune support and boots testosterone production.

PRO-TECT

Long-term prostate health begins with a proactive approach to good health and recommended daily use of Pro-Tect formula. This is a unique and comprehensive blend of whole herbs, vitamins, amino acids, and zinc. Now with pomegranate and quercetin which naturally supports healthy prostate function. Developed by our pharmacologist, our formula is made of the highest quality and reliability.

REVITALIZE

This Vitamin C supplement is blended with biotin and calcium to support healthy hair, skin, and nails as well as Amino Acid Metabolism and normal immune function. Essential for normal growth and body function. Biotin is a key regulatory element in fatty acids synthesis, energy production, and overall body health.

STRESS RESET

This herbal and nutritional formula is designed to support adrenal function. The adrenal glands assist the body in adjusting to stress as the result of internal and external forces. Stress Reset combines a number of natural ingredients to assist the body in managing the negative effects of stress and maintains healthy cortisol levels.

SUPER FISH OIL

Omega-3 1000 is derived from deep cold water fish caught in the wild. This fatty acid supplement supports healthy cholesterol levels, heart, and brain health. Includes EPA and DHA (precursors to the PGE3 series of prostaglandins) that are necessary for proper body regulation.

SUPER DOSE VITAMIN D3

Vitamin D3 is essential in promoting healthy bones, teeth, and immune system support. This liquid Vitamin D3 is a cholecalciferol supplement for adults. Blended with all-natural extracts, this formula delivers without compromising your taste buds.

SUPER B-12

This liquid formula is a potent Super B12 blend that includes folic acid and natural flavor extracts to provide an experience that leaves your body and taste buds feeling revitalized. Super B12 liquid promotes easy absorption and promotes essential maintenance of nervous tissue and energy metabolism.

COENZYME Q10

This high absorption liquid CoQ10 with enhanced mitochondrial support is blended with natural extracts for an optimal flavor experience. The supplement supplies the nutrients necessary to maintain cardiovascular health and increase energy production in cells.
