

### **Application Guide – Nail Art Flakes**

1. Prepare your nails with a base, then a dark black color gel like Cre8tion Super Black Soak off Gel and cure. Do not apply a Top Coat yet.
2. Using makeup sponge, gently rub or pat to pick up some product and lightly apply a very small amount onto your nails.
3. Repeat until you're satisfied with the effect (usually 1-2 applications)
4. Seal it with a quality Non-Cleansing Top Gel like Creation Non-Cleansing Top Gel.
