# EVA SMALL

Our Eva Small Light with its short projection is an ideal accent light for hallways stairwells and discreet spaces. The reflected glow from the light source appears to glint and glimmer in the fluted mirror glass.

It features a crisp, machined brass frame and an open tubular shade which is bright gilded on the inside.

The metalwork shown here is Bright Nickel but you can choose from any of our standard finishes.

The standard mirror glass shown is fluted and hand silvered but is also available in any of our glass finishes.

Also available in a large version.
