ABOUT US

ООRJAA®
LIVE LIGHTLY

Oorjaa is an exploration of light that reflects our love of material, craftsmanship and sustainable living. Crafted with care, every lamp is alive with the inimitable individuality of the handmade. We subtract the superfluous, in both our aesthetic and our methods, evolving designs that are easy on the eye and the environment.

Oorjaa is a design studio that handcrafts sustainable materials into lamps for retail and custom lighting solutions for commissioned spaces and projects. Our roots lie in Bangalore's first handmade paper studio established in 1998 by Jenny Pinto. Today, we continue to be led by the idea of combining waste and natural fibre to create beautiful lights and are committed to our ethos of living lightly.

THE FIBER FABLES COLLECTION

Our Fibre Fables collection exudes rustic elegance with its woven patterns and unfinished charm. The collaboration of faux concrete and banana fiber weave is beautifully showcased in these lighting fixtures and is apt to illuminate any residential or hospitality space.

HOW TO ORDER

Each product has a unique code. The following example shows how to order the product you need.

The image shows a product page for the Gloria Pendant Lamp. On the left is a large photograph of the lamp, which has a cylindrical body with a woven texture and concrete top and bottom sections. Below this are three smaller images: a side view of the lamp, the mounting hardware, and a close-up of the woven texture. To the right of the main image is the product title 'Gloria Pendant Lamp' with a small icon of the lamp. Below the title is the 'Material' section, which states 'Faux cement with banana rope weave'. The 'Sizes' section shows two options: 'Small' and 'Large', each with a corresponding line drawing. The 'Order Code' section lists 'JPSP1136' for the small size and 'JPSP1134' for the large size. A callout bubble points to the size drawings with the text 'Use the drawings to select the size.' Another callout bubble points to the order codes with the text 'Choose the codes from the list and place the order.' At the bottom right, there is a note 'Not inclusive of LED' and a recommendation for a '1 ft Filament Tube 6 W' with a small icon of the filament tube.

CARE INSTRUCTIONS

Our Fibre Fables collection exudes rustic elegance with its woven patterns and unfinished charm. The collaboration of faux concrete and banana fiber weave is beautifully showcased in these lighting fixtures and is apt to illuminate any residential or hospitality space.

Dust regularly with a clean,
dry or moist cloth.

Avoid prolonged exposure to direct
sunlight to prevent discolouring.

Avoid exposure to excessive
moisture and rain but if it does get
wet, just leave it to dry naturally.
