LED Roadway Lighting

	<b>FULL CERTIFICATION AND COMPLIANCE</b>
<b>HIGH PERFORMANCE LED</b>	 <b>Tool-Free Maintenance</b>
 <b>IP65</b>	 <b>ALL WEATHER PROOF</b>
<b>Optimized Heat Dissipation</b>	 <b>50,000 HOURS LIFESPAN</b>
 <b>IMPROVES NIGHT VISION</b>	

## Product Description

- Reliable with low failure rate luminaire for roadway lighting
- Utilization of in-built optics with high efficacy of 94%
- Tested for 4kV surge protection plus other test certification available upon request
- Easily replaceable and maintenance-friendly modular design

Powered by:

**PHILIPS**

CertaFlux™ PLM LED System  
and Xitanium™ Drivers

IP65

## Product Technical Specifications

### Physical Aspects:

Luminaire	Modular LED Luminaire Frame with Safety End Shield Clip
Luminaire Material	Cast Alloy-Aluminium and Extruded Aluminium
Beam Width	120°
Ingress Protection	IP65

### Lamp:

Light Source	Philips CertaFlux PLM II 3000lm
CRI	Ra ≥ 70
CCT	3000K / 4000K
Approximate Lifespan	50,000 Hours

### Electrical Specifications:

Input Voltage (V)	220 - 240 VAC
Input Current (A)	0.75Arms - 0.68Arms
Power Factor (PF)	≥ 0.95

Further engineering data is available upon request.

Model	Power(W)	Dimensions(mm)	Net Weight(kg)	Product Code
Strasse 90 Roadway Lighting	90	L703 X W362 X H98	7.8	LSS1-RW011-01
Strasse 150 Roadway Lighting	150	L913 X W362 X H98	9.8	LSS1-RW011-02
