

Assembly for Lighttools® ez[POP]® Soft Egg Crates® to fit Elinchrom Rotalux Softboxes

ez[POP]® Soft Egg Crates® provide tensioning and attachment in one piece.

ez[POP]® Soft Egg Crates® attach to the Rotalux softbox and keep the grid taut for maximum performance.

Yellow markers indicate corners. On select models tabs are available inside the skirt for securing ez[POP]® to the Elinchrom box.

ez[POP]® Soft Egg Crates® are light weight and compact.
