THE GRANZELLA FAMILY

In January 1976 Jim and Bev Granzella opened Granzella's Deli. Through hard work, seven-day weeks, years of increasing popularity, and the help of the Granzella children, Granzella's has expanded into a full-service delicatessen, restaurant, pizza parlor and bakery, Homemade Italian Gelato, and one of Northern California's biggest and most beloved sports bars. The Deli features over 200 different brands of beer and Granzella's line of hand-picked olives have become legendary.

On October 11th, 2007, we had a tragic fire and lost the whole building in a few hours. We re-built and were able to open back up in less than a year after the fire. While many things have changed, some things have stayed the same. Granzella's is still owned and operated by Bev Granzella, along with her children, Denise and Bill McCarty, Linda Granzella, Tami and Gary Jenkins and several grandchildren. Our commitment to the highest standards and excellent food and service continues today.

Enjoy!!
