

Warranty Registration

If you have purchased a Blaze Series Grill you must register your product within 30 days of purchase to validate the warranty and maintain your original receipt to get parts for the grill. You may register your grill at blazegrills.com by going under the Support tab, and then selecting Register your Product. You may also fill out page 15 and mail to the address located at the bottom of the form. The warranty is for original owners only and cannot be transferred to new owners. You must retain your sales slip or invoice.

Installation, repair and maintenance work should be performed by an authorized service technician. Work by unqualified persons could be dangerous and will void the warranty. The incorrect installation of the Blaze grill will void the warranty. Please call Blaze Outdoor Products for more information on correct installation of the grill.

Blaze Outdoor Products shall not be liable under this or any implied warranty for incidental or consequential damages and Blaze Outdoor Products liability is limited to the purchase price of the appliance only. This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state.

ATTENTION International Customers: Please consult your selling dealer or distributor for specifics pertaining to your product warranty and procedure. No one else is authorized to perform any obligations under this warranty.

High cooking temperatures, excessive humidity, chlorine, fertilizers, lawn pesticides and salt can affect the Stainless Steel components and for these reasons, the limited warranties DO NOT COVER DISCOLORATION OR RUST, unless there is a loss of structural integrity on the grill components.
