#### **What Is NOT Covered:**

Failure caused by unreasonable or abusive use, or failure caused by neglect of reasonable and necessary care, and any modification to product are not covered by this warranty.

Additionally, acts of nature (including but not limited to wind, hurricanes, tornadoes, and storms) are not covered by this warranty. This warranty covers return freight of any warranted product only for the first year. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

Closeout and promotional items sold by the dealer as is are not covered by this warranty.

**Wind Damage:**

Treasure Garden highly recommends that no umbrella, regardless of size or weight, ever be left unattended in the open position. In windy conditions, it is further recommended that umbrellas be closed, removed from their base, and stored, or laid horizontally. This will reduce the risk of damage to your umbrella, furniture, and other belongings or property. To ensure stability of your umbrella, please observe proper placement, and use sufficient weight (base). The Treasure Garden catalog contains minimum recommendations for necessary weight; but this can vary, depending on the conditions in your particular area.

**WIND DAMAGE IS NOT COVERED UNDER OUR LIMITED WARRANTY.**

**Irregularities in Production Process:**

The possibility of "Irregularities" in the product surface may occur during the production process. However, these irregularities do not reduce the quality of the product. Treasure Garden monitors every stage of production to ensure a clean and consistent appearance on every part.

**Rust:**

Rust is a natural part of the aging process of all Steel or Iron based materials and is therefore NOT considered a defect. Treasure Garden Cast Iron & Steel plate bases are designed to require minimum maintenance. Bases should be kept clean.

Do not let dirt build up on the bases. Cleaning with mild soap and water, and seasonal touch-up of any scratches, chips or occasional rust seepage from crevices or hidden, un-finishable surfaces inherent in some designs is all that is required. Touch Up paint in matching frame colors are available through your retail dealer. Never leave bases standing in water. To keep your bases looking their best, you may wish to store them when not in use for an extended period of time.

**Seaside and indoor pool usage:**

CAUTION: Seaside and indoor pool use, salt & chlorides can accumulate on the powder coat finish, leading to finish failure. Failure or neglect to make needed cleanings may cause paint to blister, and such failure will void limited warranty.

**NO RETURNS ON CUSTOM OR DESIGNER COVER STYLE UMBRELLAS.**
