

Sunset West

FINE OUTDOOR FURNISHINGS

2020

STYLE

SUNSET WEST DESIGNS DISTINCTIVE PRODUCTS FOR A HARMONIOUS TRANSITION FROM INDOOR SPACES, BRINGING LIFE OUTDOORS.

Each Sunset West piece is designed to inspire our customers with trend-forward designs, original ideas, and compelling material combinations. Striking silhouettes and finishes are meticulously selected and crafted in premium materials, for enduring designs to last.

COMFORT

All Sunset West products are designed and manufactured with absolute comfort in mind. Seat height, frame depth, cushion thickness, and more are all uniquely specified in our collections to ensure superior comfort.

INDOOR COMFORT
FOR EXTRAORDINARY
OUTDOOR LIVING.

Our Sunbrella fabrics are cut, sewn, and stitched by hand in the USA at our manufacturing facility located in Vista, CA. Our generously proportioned frames, combined with body contoured cushioning, provide luxurious relaxation for all Sunset West collections.

QUALITY

Sunset West's products are handcrafted from materials that have been meticulously sourced and selected from around the world.

Made by hand, each piece is constructed with impeccable attention to detail. Our master weavers and skilled sewers finish each piece using only premium materials, ensuring that all of our products can be enjoyed for years to come.

PREMIUM MATERIALS

Our raw materials are meticulously selected without any fillers and manufactured without any shortcuts.

HANDCRAFTED

Each piece of rope and wicker furniture is hand-woven, while our aluminum frames are polished by hand, and brushed finishes hand-applied.

DURABLE

Superior frames and fabrics constructed to withstand the elements, with a warranty that stands behind our quality.

CARE & MAINTENANCE

Sunset West's furniture and appearance will be enjoyed for years to come with proper care and maintenance. Please review the following instructions thoroughly, as failure to maintain your furniture may void its warranty.

METAL

Sunset West offers metal frames in both powder coated aluminum and wrought iron. To clean, wash with a mild soap and warm water solution using a soft cloth. Do not use a coarse brush or harsh cleansers, as they may damage the finish. Always rinse and dry thoroughly after cleaning.

We recommend covering your outdoor furniture with outdoor covers (sold separately) when left outside during inclement weather, and when not in use. Ensure frames and cushions are dry when covered, store cushions separately. Especially in freezing environments, outdoor furniture should be free from water and covered in the winter or stored in a shed or garage. While drain holes are preventative, water can still gather in the frames, freeze, and cause the finish to crack and the frame to burst.

Coastal areas are very harsh on all metals - salt must be cleaned from frames on a regular basis or the finish may oxidize, discolor and/or blister.

Finally, to maintain or restore the luster of your powder-coated finish, after-market products are available to refresh UV repellency and water repellency - apply as needed.

WOVEN RESIN

Resin weaves are virtually maintenance free, however; it is recommended to clean the frames on an occasional basis to prevent the build-up of dirt. In extreme climates where temperatures can reach above 100°, place furniture in 50% shaded areas. Cover your outdoor furniture with outdoor covers (sold separately) when left outside during inclement weather, and/or store when not in use.

Finally, to maintain or restore the luster of your resin wicker, after-market products are available to refresh UV repellency and water repellency - apply as needed.

TEAK

Sunset West uses true natural teak wood in their Coastal Teak collection that is then finished for a grey weathered look. To clean, wash with a mild soap and warm water solution using a soft cloth. DO NOT use harsh cleaners or abrasives, as they will damage the finish.

Our multi-step finish is applied to the rustic planks and then sealed with Golden Care® 'Teak-Shield'. We recommend continuing to apply 'Teak-Shield' (sold separately) to aid the longevity of the finish. Touch-up kits are available through Sunset West to maintain your Coastal Teak finish as needed.

When left exposed to the elements, the water-based finish will eventually wear away and uncover the natural teak underneath. The teak will then start its own natural weathering process, and slowly acquire the silver-gray patina that is the characteristic of untreated teak when exposed outdoors. Please note that during the weathering process, the appearance of the furniture may be uneven, but will eventually develop a beautiful, uniform, silvery-gray patina.

Cover your outdoor teak furniture with outdoor covers (sold separately) when left outside during inclement weather, and/or store when not in use. When storing teak, avoid moving your pieces to and from extreme temperature conditions - sharp differences in temperature and humidity may cause the wood to split.

LIMITED WARRANTY

The following warranty information is for the product branded Sunset West only.

Sunset West products have been designed to provide aesthetically pleasing looks, comfort and durability in an outdoor environment. Only the highest quality materials are used in Sunset West products. If a product is received or becomes defective, a Warranty Request form needs to be completed by the selling party. This form is available upon request from Sunset West. Products that are defective will be repaired or replaced at our discretion during the warranty period at no charge. This is a limited warranty.

Sunset West recommends following the Care & Maintenance guidelines provided. This warranty does not cover abusive and unreasonable use or normal wear and tear including fading and discoloration caused by chemical contact. Sunset West does not warranty any product against acts of God, including, but not limited to fire, ice, wind damage and earthquakes.

Living near the ocean can cause premature weathering of the aluminum finish and is not warranted. For optimal performance while living in the salt air, we suggest that the frames are covered while not in use and rinsed off monthly with fresh water and waxed at the beginning and end of each season. Non-propriety items such as glass or other tabletop surfaces are not covered under Warranty.

Mold and mildew issues on cushions are considered a user maintenance issue and are not covered under warranty. Please visit www.sunbrella.com for details on Sunbrella fabrics or visit the website of the fabric manufacturer if not Sunbrella.

With the previous exceptions;

All frames are warranted for a period of ten (10) years against manufacturing defects when used in a residential setting and two (2) years for commercial settings.

Powder Coated finishes are warranted for a period of three (3) years against peeling and blistering when used in a residential setting. Please note, hand applied and dry brushed finishing can fade over time. Also, nicks, dings and scratches are considered normal wear and tear. Powder coated finishes are warranted for two (2) years for commercial settings.

Resin Wicker and Rope is warranted for a period of three (3) years against noticeable fading, discoloration and deterioration. These items are warranted for two (2) years for commercial settings.

Sunbrella fabric is warranted for a period of five (5) years through Sunbrella. Visit www.sunbrella.com for details.

Cushion fill is warranty for two (2) years against manufacturer and material defects for residential settings and two (2) years for commercial settings when commercial foam is specified.

Teak wood products are warranted for one (1) year against manufacturer and material defects for residential settings and ninety (90) days in a commercial setting. NOTE: that the Teak used is naturally distressed and will have variations in tone, finish and grain, which are not covered by the warranty. The Teak used inherently has blemishes, checking, cracking, distressing and these are not warranted but are part of the natural appeal of the product.

Fire Tables are UL Listed for liquid propane (LP) and natural gas (NG). Crystal Fire burners offer a limited lifetime warranty; visit www.crystalfire.com for details. All other materials included with the fire tables are warranted against manufacturer and material defects for one (1) year in a residential setting and ninety (90) days in a commercial setting.
