BATTERY PRECAUTIONS
The precautions below should be followed when using batteries in this device:
1. Warning – Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.
2. Use only the size and type of batteries specified.
3. Be sure to follow the correct polarity when installing the batteries as indicated in the battery compartment. A reversed battery may cause damage to the device.
4. Do not mix different types of batteries together (e.g. Alkaline, Rechargeable and Carbon-zinc) or old batteries with fresh ones.
5. If the device is not to be used for a long period of time, remove the batteries to prevent damage or injury from possible battery leakage.
6. Do not try to recharge a battery not intended to be recharged; it can overheat and rupture. (Follow the battery manufacturer's directions.)
7. Remove the batteries promptly once its charge is low.
8. Clean the battery contact and also those of the device prior to installing the battery.
Before you get started

1. Remove the battery compartment cover on the bottom of the unit by using a Phillips-head screw driver.

2. Insert three (3) AA-size alkaline batteries as indicated on diagram.

3. Replace the cover tightly before operating.

CAUTION: Do not mix old batteries with new batteries.

Operations

1. Press the POWER button ONCE to turn ON the unit. Press the POWER button AGAIN to turn OFF the unit.

2. Slide the language switch to choose ENG (English), FRE (French) or SPA (Spanish).

3. Press the button to get solution.

Note: Calculator will solve problems where solution is greater than 1.

4. Press +/- / X / + button and then press number keys again.

Note: Inputs are limited to two digits

5. Press ERASE button when screen displays “ER”.

6. To start the next calculation, press ERASE button.

Important Safety Information

1. Read these Instructions.
2. Keep these Instructions.
3. Heed all Warnings.
4. Follow all Instructions.
5. Do not use the apparatus near water.
6. Clean only with a dry cloth.
7. Do not block any of the ventilation openings. Install in accordance with the Manufacturer’s instructions.
8. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
9. Do not use with a cord, strap, tripod, bracket, or table specified by the manufacturer or sold with the apparatus. If a cord set is used, use caution when moving the apparatus to avoid injury from the cord.
10. Unplug this apparatus during lightning storms or when unused for long periods of time.
11. Refer all servicing to qualified service personnel.

FCC WARNING: This equipment may generate or use radio frequency energy. Changes or modifications to this equipment may cause harmful interference unless the modifications are expressly approved in the instruction manual. The user could lose the authority to operate this equipment if an unauthorized change or modification is made.

The device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Choking hazard—Small parts. Not for children under 3 years of age.

12. Warning: To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture. Do not place a container of water, such as a vase, on the apparatus.
13. CAUTION: To reduce the risk of fire or explosion, do not expose batteries to excessive heat such as sunshine, fire or other heat sources.

14. CAUTION—ELECTRICALLY OPERATED PRODUCT—Not suitable for children under 3 years of age. As with all electric products, precautions should be observed during handling and use to prevent electric shock.
15. Recommendation to the parents that the apparatus be periodically examined for conditions that may result in the risk of fire, electric shock, or injury to persons and that, in an event such conditions, the apparatus should not be used until properly repaired.

WARNING: TO PREVENT FIRE OR SHOCK HAZARD, DO NOT EXPOSE THIS UNIT TO RAIN OR MOISTURE.
