About The Singing Machine

Based in the US, Singing Machine® is the North American leader in consumer karaoke products. The first to provide karaoke systems for home entertainment in the United States, the Company sells its products world-wide through major mass merchandisers and on-line retailers. We offer the industry's widest line of at-home karaoke entertainment products, which allow consumers to find a machine that suits their needs and skill level. As the most recognized brand in karaoke, Singing Machine products incorporate the latest technology for singing practice, music listening, entertainment and social sharing. The Singing Machine provides consumers the best warranties in the industry and access to over 12,000 songs for streaming and download. Singing Machine products are sold through most major retailers in North America and also internationally. See www.singingmachine.com for more details.

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed

into an event platform hosting several influential conferences annually (Invitational, Summit, and Main Event).

In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and microcap universe.

For those interested in attending, please contact David Scher at david@ldmicro.com or visit www.ldmicro.com/events for more information.
