Outline Threads

Gut 697 & 673 in the step by step instructions refer to the original use of Gutermann sewingthread for outlines which has now been discontinued.

Please substitute these with one strand of DMC cotton in the following:

697 = DMC 3371

673 = DMC 3021

Step 3

Fill the centre vein with split stitch in 3781. Add a second line close to this in 712.
