

DISPOSABLE MOUTH MIRRORS

NEW AND IMPROVED!!!

Palmero's Disposable Mouth Mirrors are light-weight, single-use disposable mirrors for easy retracting of the oral tissue and viewing of patient teeth without the risk of cross-contamination.

Due to popular demand, we are now offering individually wrapped mouth mirrors. Our new single-pack includes 24 mirrors with the same great features and benefits as our bulk pack.

- **Improved** wider handle design provides slip-free and comfortable grip
- Clear, distortion-free, 7/8" diameter mirrors
- Durable ergonomic, white plastic handle
- Ultra-thin reflecting surface for enhanced imaging
- Ideal for high-volume offices
- Available in bulk pack or individually wrapped
