

Special Update

Good Morning,

After an 18 month review process, we are pleased to announce the Saskatchewan Health Authority (SHA) has approved Lakeview Aquatic Consultants' request to deliver the Pool & Hot Tub Alliance (PHTA) Certified Pool Operator (CPO) program to meet pool operator training requirements set out in the province of Saskatchewan's *Swimming Pool Regulations, 1999* and supporting standards.

Please see the approval letter [here](#).

Why does this matter? Prior to review, individual health inspectors in Saskatchewan, unfamiliar with the Pool & Hot Tub Alliance (PHTA) - formerly National Swimming Pool Foundation (NSPF) - CPO program, did not recognize it as a suitable alternative to training offered by the province. Saskatchewan residents who had completed the PHTA CPO program also (still) had to complete SHA pool operator training.

Saskatchewan was the only Canadian province/territory where this approval for the PHTA CPO as an industry-leading training course was outstanding. Please see a complete rundown of all Canadian jurisdictions [here](#).

Federal territories (e.g. First Nations, Metis, Canadian Armed Forces, Parks Canada, etc.) remain exempt from provincial regulation because of oversight by federal health inspectors.

Thank you for your interest in and support of the program while approval was pending. We look forward to serving you in the future! Please keep reading for information about our exciting new partnership with the Saskatchewan Parks & Recreation Association (SPRA).

SPRA 2022 Spring Symposium

Saskatchewan Parks and Recreation Association

April 25 & 26, 2022

We are pleased to announce a partnership with the [Saskatchewan Parks & Recreation Association](#) (SPRA) to host an in-person Certified Pool Operator (CPO) class exclusively for SPRA Members at the 2022 Spring Training Symposium in Humboldt, SK.

Class will run Monday, April 25 & Tuesday, April 26 from 9 am - 5pm daily. Hotel group rates are available.

Please register directly through [SPRA](#) when Spring Symposium registration opens on March 1. Please contact Tim Hanna directly with any [Symposium questions: thanna@spra.sk.ca](mailto:symposiumquestions:thanna@spra.sk.ca)
