

# ANATOMY *of the* EAR

*A Black Betty guide to piercing your ear perfectly*

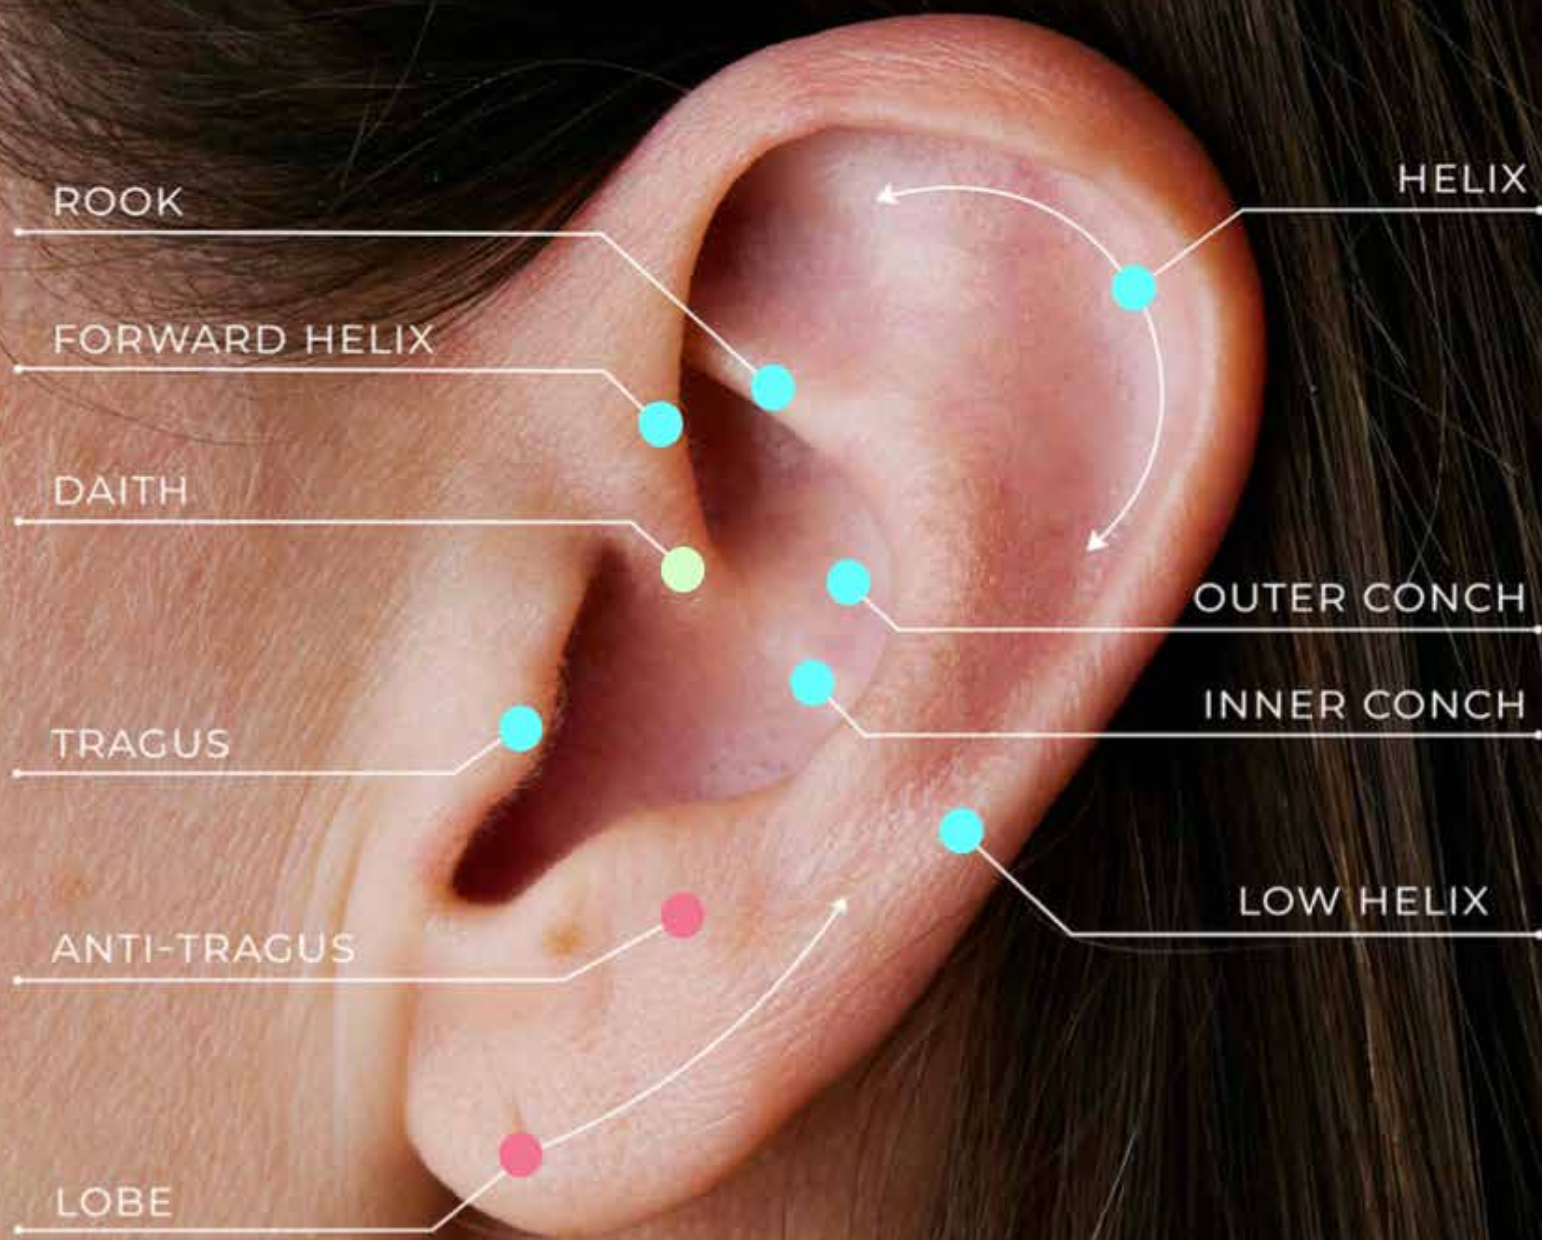

## HOW TO:

Curating your ear is all about achieving your own, singular look over time. Combine metals, textures, stones, studs & hoops to create your own perfectly adorned ear. But be warned, it's difficult to stop once the playground has opened.

# PIERCING SERVICE FEE

NOSE: R250 | SEPTUM: R300 | NIPPLE: R400 | NAVEL: R400

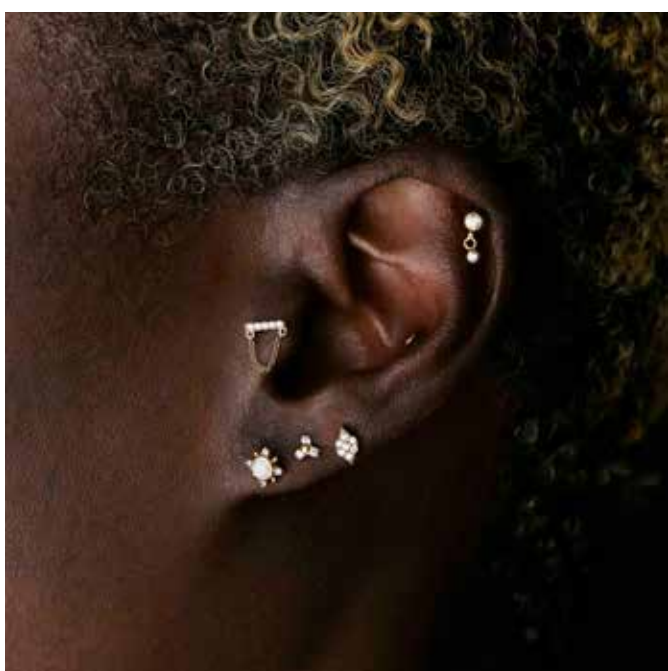

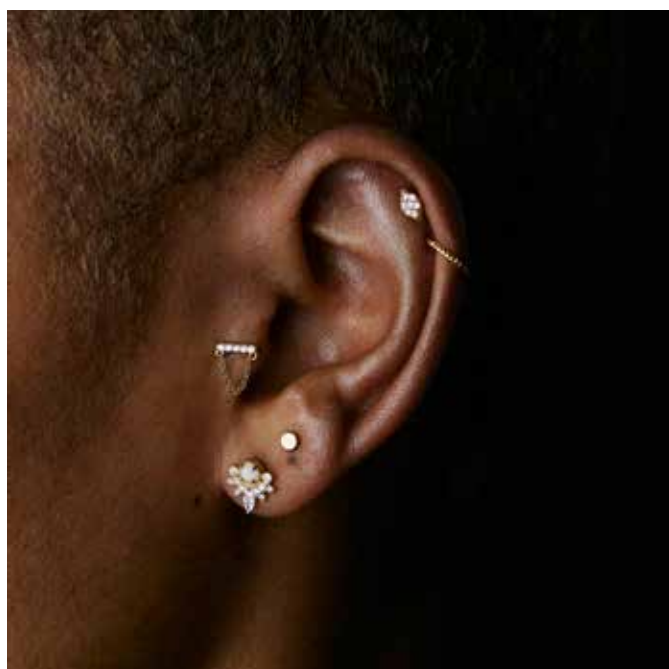

■ R150

■ R250

■ R300

*\* Please note the piercing service is an additional fee to the total cost of your new piercing (jewel + labret).*
