

Revolution Cycle Works “Everyday Rider” Program

Congratulations and Thank You for participating in Revolution Cycle Works’ “Everyday Rider” program! Your commitment and passion to ride warrants recognition and the Revolution Cycle Works team is excited to have you join our ambassador program.

While having professional and semi-pro sponsors for our products may be cool, we recognize that the everyday rider is the foundation of our sport, and we hope this program helps to foster the spirit of why we ride.

Q: What will I receive for participating in the program?

You will get:

AZTEC cables and brake/disc pads and rotors for one calendar year from today. We’ll provide the shop with the products and coordinate a photo (*labor not included*)

AZTEC bamboo socks

Vincero Design water bottle and mount

Your (and/or your bike’s) photo, for posting on revcycleworks.com, and our social media platforms

Our gratitude and appreciation. By participating in the program the hope is that we continue to promote the spirit and fun of riding!

Q: What do I need to do?

Fill out the short form below for release of photo and information that we can use to share your story.

Name _____ (first) _____ (last)

Name that you want to use for postings (i.e. “Jill L.” or “Jill Lewis”) _____
