It's not just the herbs that makes Queasy Ease so wonderful at calming your pets' queasy tummies. Queasy Ease is made with Cedar Bear's special proprietary process called the TincTract®. It's more than a tincture, and more than an extract, and works better than either!

Cedar Bear's TincTract® process makes the herbs both bio-available and bio-utilizable, so every drop goes right to work supporting your pets' health and well-being. Best of all, the TincTract® process not only makes herbs work better, but they taste better, too!

With Cedar Bear's Queasy Ease, you have an effective herbal formula to quickly ease the queasy tummy.

And like all Cedar Bear® herbs, Queasy Ease is totally alcohol-free. It only has three things in it, herbs, glycerin, and water. Nothing else!

Keep Queasy Ease by Cedar Bear® on hand to soothe your pets' sensitive, queasy tummies fast.
