

BATTLE-TESTED ANESTHESIA CARE

Vietnam Women's Memorial, Washington, DC

Copyright 1993, Vietnam Women's Memorial Foundation, Inc. | Glenna Goodacre, Sculptor

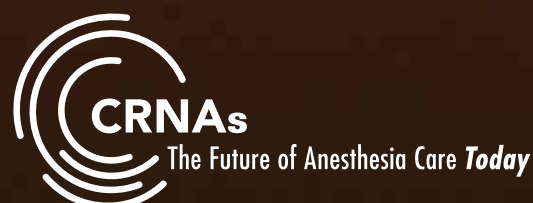

From the front lines to the VA hospitals, Certified Registered Nurse Anesthetists (CRNAs) have proudly and courageously provided anesthesia care to enlisted men and women, officers, and veterans in all branches of the military, from World War I to the present.

CERTIFIED REGISTERED NURSE ANESTHETISTS:

Honoring a tradition of caring for those who protect our nation.

Celebrate National CRNA Week

January 21-27, 2018
