Hygiene & Biosecurity

INTRA POWER FOAM

Intra Power Foam is a heavy-duty alkaline foam cleaner.

BENEFITS

- ✓ Strong adhesion, long contact time
- ✓ Dissolves all types of grease, fat and dirt
- ✓ Reduces pathogenic bacteria
- ✓ Can be used on concrete, stone, stainless steel, wood and plastic surfaces.
- ✓ 3-5% gives strong cover

APPLICATIONS

FOAM APPLICATION:

The foam cleaners may safely be used on surfaces such as concrete, stone, stainless steel and plastic surfaces. With metals such as aluminium, galvanised steel and unprocessed metal types, we recommend first applying the foam cleaner on a small surface to see if the foam cleaner reacts with the material.
